Sir,

Subject - Re misappropriation of Rs 13-14-8 by M Basaviah, Ex-Head Manager, French Rocks Municipality

I have the honour to forward herewith the file of papers ending with report No C1 /39-40 dated 20th December 1941, from the President Municipal Council French Rocks on the above subject and to state as follows -

Basaviah was working as Octroi Head Manegar in French Rocks Municipality during the year 1938-39 He is stated to have gone on privilege leave for 8 days in the month of February 1939 and during his absence, accounts were checked by the Vice-President A sum of Rs 13-4-8 was found to have been embezzled by the Manegar The Vice President appears to have reported this fact to the president who in turn submitted an adinterim reported to the Deputy Commissioner, Mysore District pending further enquiry in-to the matter

On 31st May 1939, Basaviah, Head Octroi Manegar - appeared before President and admitted in a written statement that he had misappropriated a sum of Rs 13-4-8 and that out of this he had credited a sum of Rs 10-8-6 to the

the Treasury and prayed ~~xxxxx~~ that he might be pardoned

The President, Municipal Council, French Rocks in his report No J C 83/38-39 dated the 5th June 39 addressed to the Deputy Commissioner, Mysore District stated that the said Head Manegar had pleaded guilty and recommended that ~~the~~ a dismissal of the official from service would meet the ends of justice as the official was young and the amount involved viz Rs 13-4-8 was small

In the meantime, the President, Municipal Council French Rocks forwarded the resignation of the official to this~~x~~ office on 4-7-1939 for orders and it was returned to him for submission of a report regarding the recovery of the misappropriated amount and the observations made by the local Audit Staff in the course of - Audit of accounts of the Municipality for the year 38-39

The President in submitting an extract from the - Audit report has stated that the resignation might be accepted and the services of the official treated as having been dispensed with

In submitting his reply the President has stated that the The Accounts of the Municipality for the - years 1938-39 and 1939-40 have been audited According- ing to the Audit report a sum of Rs 22-5-8 was misappropriated by the official but the President Municipal Council has not reported whether the balance of Rs 9-1-0 still due as per Audit report has been recovered from him I am separately instructing the President, Municipal Council, French Rocks to r cover the amount from the official if not already done

A report reg rding the misappropriation ought to

to have been submitted to Government according to rule 16 of the Municipal Account anual immediately on receipt of the first report of the President, Municipal Council French Rocks But no action appears to have been taken in the Deputy Commissioner's office, Mysore In view of the young age of the official and the smallness of the amount involved, I have considered that his dismissal - Enclosure would be a sufficient punishment and ordered that he might be dismissed from service with effect from 14-2-39

I have the honour to be,

Sir,

Your most obedient servant,

DEPUTY COMMISSIONER,
MANDYA DISTRICT

Submitted for perusal

The misappropriation relates to the year 1938 39 and the official concerned has been dismissed from 9.2.42

Was not the Manegar asked to give Charge of Cash before he went on P L ?
Has he not given any security ?
Why was he left in charge of any Cash ? How many days Cash Book and the Cash represents ?

3 The Diary be sent to the Comptr for favour of Remarks

4 This is a case in which misappropriation of Municipal moneys was committed by the Head Manegar (Victim) during the year 1938 39 in the French Rocks Municipality the amount at present detected to have been misappropriated was only Rs 13/4/8 During the audit of the accounts, the amount to Madam not taken

Serial No

Rs 2 3/5/8 out of which only Rs 13/4/8 has been received but it is not known whether the balance of Rs 9/1/- has been received as yet—

The records show that the case has been mishandled from the beginning The statement of the Special dated 31 5 39 before the President of the Mlty is self-incriminating but is sufficient for launching a prosecution against him But no action was taken in that direction

Immediately after it came to notice, it was the duty of the Treasurer of the Mlty to have sent up a first information report, but as required by Standing orders, he should have got the accounts audited Specially by the Comptroller's Local Audit staff, which would have brought to light the amount actually misappropriated The extract of the audit note (Flag S) shows as if there is likely to be found a larger amount of money misappropriated, if an investigation is made

Instead of taking action against the Special under the rules, he is allowed to make good the amount Restored (the amount was finally credited on 3 7 39) —

and has allowed to tender his resignation while under suspension. It appears that his services have been dispensed with from 16.2.1935

2 Who is to make good the balance of Rs 9/1/- has yet to be fixed, in case the dismissed individual is unable to pay it. It would also be interesting to know whether the said Patwari has been employed anywhere else. The case is hereby sent for enquiries and the explanations of the persons concerned may have to be called for. The accounts of the period may also have to be specially audited to see if there are any further losses to the Govt.

3 The file will be sent to the Comptroller for remarks shortly.

4 In the meanwhile, this D.O. report is submitted for perusal, as this is the first report of the occurrence of misappropriation of Govt money in the French Rocks Municipality which took place in the year 1934-35.

The misappropriation by the Head Manegar came under the notice of Audit, when the Octroi accounts of the Municipality for 1938-39 came under the scrutiny of the Local Audit Staff between the 13th and 20th of November 1939 In the period during which he was working as Manegar, there were cases in which, there was no doubt whatever, that a portion of the amount collected had been misappropriated, and there were, again, cases, where there was reason to suspect that a larger amount than what had been remitted to Treasury might have been collected In their audit report for the period, the auditors stated, that the amount involved in the former class of cases was Rs 21-5-8 and not Rs 13-4-8 only, as had been worked out by the Vice President, and that the balance also had to be made good In respect of the latter chass of cases, they said, that, whether in those cases also there was any misappropriation could be stated, only after the original receipts were obtained from the parties to whom they had been issued

issued, and were examined and compared with the office copies of these receipts This is not work that the auditors could do This was investigation that had to be undertaken by the Municipal Executive

14) The Municipal Council do not seem to have so far collected from Basaviah the further sum of Rs 9-1-0 due from him, nor have they acted on the suggestion of the Auditors, that an investigation might be made into the suspicious cases detailed by them in the annexure to the audit report for 1938-39

15) As for the question whether another audit of the accounts of the period, by the Audit staff of this office is necessary, to make sure that there has not been any further loss, there does not seem to be any need for this as the auditors know, when they audited the accounts for 1938-39 in November 1939, that there was misappropriation by the Manegar and have conducted the audit of this period with this knowledge, and have arrived at the conclusion that the amount misappropriated in clear cases is Rs 21-5-8 Audit cannot do anything as regards doubtful cases as it can state its views only after the results of any investigation that may be undertaken by the Municipal Executive are placed before it It is the President of the Council that has now to move in the matter to make sure that no higher sum than Rs 21-5-8 has been lost to the Municipality because of the lapses of the Manegar

---

With reference to your letter No I 9381/Mi 108-41-19 dated 4-4-42 calling for a further report on the above subject, I have the honour to forward herewith the explanation of Mr Abubaker the then President of the French Rocks Municipality, received through the Deputy-Commissioner Kolar District and to state as follows on the points raised

It is seen from the explanation that a report was made to the Deputy Commissioner, Mysore District on 17-2-39 and that the official was placed under suspension pending enquiry into cases of misappropriation It is stated that the first report of the vice-president was received on 1-4-39. Before taking up the enquiry into the matter, Mr Abubaker went on leave from 5-4-39 handing over charge to Mr H Krishnachar, Personal assistant to the Deputy Commissioner and returned to duty on 16-5-39 He states that he conducted the enquiry and submitted a report to the Deputy Commissioner

PTO

on 6-6-39 He further states that no official pressure was brought to bear upon the official to resign his post, and that he ~~withdrew~~ tendered his resignation on 26-6-39 only after the final report recommending his dismissal was submitted to the Deputy-Commissioner He states that there was no omission on his part in sending the first information

In this connection I wish to invite kind reference to my letter dated 25-5-42 forwarding a copy of the report of the president French Rocks Municipality The president states that out of a total sum of Rs 22-5-8, a sum of Rs 13-4-8 has already been recovered and that he is confident of recovering the balance of the misappropriated amount Viz 9-1-0 If the amount is not recovered from M Basaviah the amount would be recovered from the Official responsible for not taking timely action for the recovery

Basaviah is not employed any where As regards the disposal of the audit notes I write to state that the audit notes have been replied to and sent to the Assistant Comptroller Local Audit Circle Mysore on 11-7-42

2 As the president French Rocks Municipality assures that the amount would be recovered either from Basaviah or from the clerk responsible for not taking timely action for recovery and as the amount involved Viz , Rs 9-1-0 is also small the matter may perhaps be dropped

The entire records are enclosed for kind reference and return
